- 1. We will not pay for loss to Covered Property caused directly or indirectly by any of the following. Such loss is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. Unless otherwise stated, the following exclusions apply to all SECTION I - Coverages.

a. Water.

- (1) Flood, surface water, tides, tidal waves, overflow of any body of water, or their spray, all whether driven by wind or not.

If loss is caused by or results from water that is not excluded above or elsewhere in this Property Coverage Part, we will pay the cost to tear out and replace any part of the building or structure in order to repair damage to the system or appliance from which the water or other substance escapes.

We will not pay the cost to repair any defect that caused the loss, but we will pay the cost to repair or replace damaged parts of fire extinguishing equipment if the damage results in discharge of any substance from an automatic fire protection system and is directly caused by freezing.

e. Power Failure. The failure of power or other utility service supplied to the premises described in the Schedule of Premises, however caused, if the failure does not take place on the described premises. But if the failure of power or other utility service results in a Covered Cause of Loss, we will pay for the loss caused by that Covered Cause of Loss.

f. War and Military Action.

- (a) The personal property which collapses is inside a building insured under this policy; and
- (b) The collapse was caused by a cause of loss listed in SECTION I. C. 2. b. (1) (b) through (1) (f) above.

(3) If loss by a Covered Cause of Loss results from collapse at the described premises, we will pay for that resulting loss.

(4) We will not pay for loss to the following type of property, if otherwise covered by this insurance, under SECTION I. C. 2. b. (1) (a) through (1) (f) above unless the loss is a direct result of the collapse of a building:

- (1) Whether acting alone or in collusion with others; or

This exclusion does not apply to acts of destruction by your employees or leased workers, but does apply to "theft" by employees or leased workers. A leased worker is a person leased to you by a labor leasing company, under an agreement between you and that company, to perform duties related to the conduct of your business.

With respect to accounts receivable and "valuable papers and records," this exclusion does not apply to carriers for hire.

- f. **Electrical Apparatus.** Artificially generated electric current, including electric arcing, that disturbs electrical devices, appliances or wires, except as provided in the Equipment Breakdown Coverage Extension. - g. **Exposed Property.** Rain, snow, ice or sleet to personal property in the open.

- h. **False Pretense.** Voluntary parting with possession of any property by you or anyone else to whom you have entrusted the property if induced to do so by any fraudulent scheme, trick, device or false pretense.

- i. **Freezing.** Water, other liquids, powder or molten material that leaks or flows from plumbing, heating, air conditioning or other equipment caused by or resulting from freezing, while the premises are "vacant" or unoccupied, unless:

- (1) You do your best to maintain heat in the building or structure; or

This exclusion does not apply to loss from fire protection systems.

But if an excluded cause of loss that is listed in SECTION I. C. 2. j. (1) through j. (7) above results in a "specified cause of loss", "accident" or building glass breakage, we will pay for the loss caused by that "specified cause of loss", "accident" or building glass breakage.

k. Smoke, Vapor, Gas. Smoke, vapor or gas from agricultural smudging or industrial operations.

l. Substance Seepage or Leakage. Seepage or leakage of any substance that has manifested and is then continuous or repeated.

3. We will not pay for loss caused by or resulting from the discharge, dispersal, seepage, migration, release or escape of "pollutants" unless the discharge, dispersal, seepage, migration, release or escape is itself caused by any of the "specified causes of loss." But if the discharge, dispersal, seepage, migration, release or escape of "pollutants" results in a "specified cause of loss," we will pay for the loss caused by that "specified cause of loss."

4. We will not pay for the loss caused by or resulting from any of the causes of loss listed in SECTION I. C. 4. a. through 4. c. below. But if an excluded cause of loss that is listed in SECTION I. C. 4. a. through 4. c. below results in a Covered Cause of Loss, we will pay for the loss caused by that Covered Cause of Loss. The following applies to all SECTION I - Coverages.

SECTION II - LIMITS OF INSURANCE

A. The Most We Will Pay.

The most we will pay per loss is:

1. Any applicable Limits of Insurance shown in this Coverage Part.
2. The amounts stated in the Property Coverage Part to be in addition to the Limits of Insurance.
3. The applicable Limits of Insurance shown in the Property Coverage Part Declarations.

B. Property Value Guard Automatic Increase.

The Limit of Insurance for Buildings and the Limit of Insurance for Business Personal Property will automatically increase each day by a pro-rated amount of the percentage shown in the Property Coverage Part Declarations.

The amount of increase will be:

1. The Building limit and the Business Personal Property limit that applied on the most recent of the policy inception date, the policy anniversary date, or the date of any other policy change amending the Building limit and Business Personal Property limit, times

2. The percentage of increase shown in the Property Coverage Part Declarations, expressed as a decimal (example: 4% is .04), times
3. The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Building limit and Business Personal Property limit, divided by 365.

Example:

If: The applicable Building or Business Personal Property limit is \$100,000 and the percentage increase is 4% and the number of days since the beginning of the policy year (or last policy change) is

146.

The amount of increase is

$$\$100,000 \times .04 \times 146 / 365 = \$1,600.$$

We will also automatically increase your Limits of Insurance for Building and Business Personal Property at the renewal or anniversary date of this insurance based on our annual Value Guard percentage increase in effect on that renewal or anniversary date.

C. Seasonal Automatic Increase in Business Personal Property Insurance.

To provide for seasonal variations at any time, the Limit of Insurance for Business Personal Property will automatically increase by 25% or the percentage shown in the Property Coverage Part Declarations for Seasonal Automatic Increase in Business Personal Property, whichever is greater.

This increase will apply only if:

1. there is a specific limit per location for Business Personal Property or a blanket limit for Business Personal Property shown in the Property Coverage Part Declarations; and

2. the Limit of Insurance shown in the Property Coverage Part Declarations is at least 100% of your average monthly values for 12 months immediately preceding the date of loss, or in the event you have been in business for less than 12 months, such shorter period of time.

SECTION III - DEDUCTIBLE

We will not pay for loss until the amount of loss exceeds the Deductible shown in the Property Coverage Part Declarations. We will then pay the amount of loss in excess of the Deductible up to the applicable Limit of Insurance.

No deductible applies to coverage for Accounts Receivable, "Business Income," Extended Business Income, "Extra Expense", Action By Civil Authority and "Expediting Expense", Counterfeit Currency and Money Orders, and Fire Department Service Charge.

SECTION IV - CONDITIONS

A. Loss Conditions.

1. Abandonment.

There can be no abandonment of any property to us.

2. Appraisal.

If you and we disagree on the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either you or we may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we still retain the right to deny the claim.

3. Duties in the Event of Loss.

a. You must see that the following are done in the event of loss to Covered Property:

- (1) Notify the police if a law may have been broken.
- (2) Give us prompt notice of the loss. Include a description of the property involved.
- (3) As soon as possible, give us a description of how, when and where the loss occurred.
- (4) Take all reasonable steps to protect the Covered Property from further damage from a Covered Cause of Loss. If feasible, set the damaged property aside and in the best possible order for examination. Also keep a record of your expenses for emergency and temporary repairs for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
- (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
- (6) Permit us to inspect the property, books and records proving the loss and make facsimiles or copies if necessary. Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis.

(7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.

(8) Cooperate with us in the investigation or settlement of the claim.

(9) Resume all or part of your operations as quickly as possible. You must use all available means to eliminate unnecessary delay.

b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Legal Action Against Us.

No one may bring a legal action against us under this insurance unless:

- a. There has been full compliance with all of the terms of this insurance; and
- b. The action is brought within 2 years after the date on which the direct physical loss occurred.

5. Loss Payment.

In the event of loss covered by this policy:

a. At our option, we will either:

- (1) Pay the value of lost property, as described in paragraph e. below;
- (2) Pay the cost of repairing, replacing or restoring the lost property;
- (3) Take all or any part of the property at an agreed or appraised value; or

- (4) Repair, rebuild, replace or restore the property with other property of like kind and quality.
- b. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- c. We will not pay you more than your financial interest in the Covered Property.
- d. Our payment for loss to personal property of others will only be for the account of the owners of the property. We may adjust losses with the owners of lost property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- e. We will determine the value of Covered Property as follows:
 - (1) At replacement cost (without deduction for depreciation), except as provided in Section IV. A. 5. e. (2) through (10) below.
 - (a) You may make claim for loss covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss settled on an actual cash value basis, you may still make a claim on a replacement cost basis if you notify us of your intent to do so within 180 days after the loss.
 - (b) We will not pay on a replacement cost basis for any loss:
 - i. until the lost or damaged property is actually repaired or replaced; and
 - ii. unless the repairs or replacement are made as soon as reasonably possible after the loss.
 - (c) We will not pay more for loss on a replacement cost basis than the lesser of:
 - i. the cost to replace, on the same premises, the lost or damaged property with other property:
 - (i) of comparable material and quality; and
 - (ii) used for the same purpose; or
 - ii. the amount you actually spend that is necessary to repair or replace the lost or damaged property.
 - (d) Except as provided for under Increased Cost of Construction in the Additional Coverage Section, the cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.
 - (2) The following property at actual cash value:
 - (a) Used or second hand merchandise held in storage or for sale or rental;
 - (b) "Contractors' materials" and "contractors' tools and equipment" that are property of others;
 - (c) Household contents, except personal property in apartments or rooms furnished by you as landlord.

Actual Cash Value will be determined based on the replacement cost of the property less depreciation.

days from the installation of improvements to the expiration of the lease.

- (3) If Actual Cash Value is indicated in the Property Coverage Part Declarations, we will determine the value of the property at actual cash value at the time of the loss. We will not pay more for loss than the lessor of:

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.

- (a) The replacement cost less depreciation; or
- (b) The Limit of Insurance shown in the Property Coverage Part Declarations.

- (c) Nothing if others pay for repairs or replacement.

Even if Actual Cash Value is indicated in the Property Coverage Part Declarations, if you are a condominium unit-owner, fixtures, appliances, improvements and alterations making up part of your unit and owned by you will be valued on a replacement cost basis, and tenants' improvements and betterments will be valued as described in SECTION IV. A. 5. e. (4) below.

- (5) "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.
- (6) Glass at the cost of replacement with safety glazing material if required by law.
- (7) "Money" at its face value. We may, at our option, pay for loss of "money" issued by any country other than the United States of America:

- (4) Tenants' improvements and betterments at:

- (a) Replacement cost if you make repairs.

- (b) A portion of your original cost if you do not make repairs. We will determine the proportionate value as follows:

- i. multiply the original cost by the number of days from the loss to the expiration of the lease; and
- ii. divide the amount determined in SECTION IV. A. 5. e. (4) (b) i. above by the number of

- (a) At its face value in the "money" issued by that country; or

- (b) In the United States of America dollar equivalent determined by the rate of exchange on the day the loss took place.

- (8) "Securities" at their value as of the close of business of the most significant securities market in the United States of America in which they are traded or sold on the day the loss was discovered. We may, at our option:

- (a) Pay the value of such "securities" or replace them in kind, in which event you must assign to us all your rights, title and interest in and to those "securities";

(b) Pay the cost of any Lost Securities Bond required in connection with issuing duplicates of the "securities."

(9) In the event of loss to any part of a pair or set or part, we may, at our option:

(a) Repair or replace any part to restore the pair or set to its value before the loss;

(b) Pay the difference between the value of the pair or set before and after the loss; or

(c) Pay the value of the lost or damaged part.

(10) Fine arts and antiques at their fair market value.

f. We may elect to defend you against suits arising from claims of owners of property but will not pay any damages. We will do this at our expense.

g. We will pay for covered loss within 30 days after we receive the sworn proof of loss, if:

(1) You have complied with all the terms of this policy; and

(2) (a) We have reached agreement with you on the amount of loss; or

(b) An appraisal award has been made.

6. Recovered Property.

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, you may retain the property. But then you must return to us the amount we paid to you for the property. We will pay recovery expenses and the expense to

repair the recovered property, subject to the Limits of Insurance.

7. Rewards.

After loss caused by or resulting from a Covered Cause of Loss which, in our opinion, is of sufficient dollar amount to warrant such action, we may advertise a reward. The reward would be advertised in your name, or your name and ours, and would be available for information which would lead to the arrest and conviction of the person(s) who caused the loss.

Whether or not a reward is offered and the amount of such reward will be solely at our discretion. This does not affect your Limits of Insurance in any way.

You may, at your option, add to the amount of the reward we offer, or offer a reward yourself if we decide not to. However, we will not reimburse you for such reward or any related expenses.

8. Vacancy.

If the building or condominium unit where loss takes place has been "vacant" for more than 60 consecutive days before the loss, we will:

a. Reduce the amount we would otherwise pay for the loss or damage by 25%; and

b. Not pay for any loss caused by:

(1) Vandalism;

(2) Burst pipes or sprinkler leakage, unless you have protected the system against freezing;

(3) Building glass breakage and resultant weather damage; or

(4) "Theft" or attempted "theft."

B. General Conditions.

1. Concealment, Misrepresentation or Fraud.

This Coverage Part is void in any case of fraud by you at any time as it relates to this Coverage Part. It is also void if you or any other insured, at any time, intentionally conceal or misrepresent a material fact concerning:

- a. This Coverage Part;
- b. The Covered Property;
- c. Your interest in the Covered Property; or
- d. A claim under this Coverage Part.

2. Control of Property.

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

The breach of any condition of this Coverage Part at any one or more locations will not affect coverage at any location where, at the time of loss, the breach of condition does not exist.

3. Mortgage Holders.

- a. A mortgage holder includes trustee.
- b. We will pay for covered loss to buildings, condominium units or structures to each mortgage holder shown in the Property Coverage Part Declarations in their order of precedence, as interests may appear.
- c. The mortgage holder has the right to receive loss payment even if the mortgage holder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgage holder will still have the right to receive loss payment if the mortgage holder:
 - (1) At our request, pays any premium due under this Coverage Part and the

Liability Coverage Part if you have failed to do so;

- (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgage holder.

All of the terms of this Coverage Part will then apply directly to the mortgage holder.

- e. If we pay the mortgage holder for any loss and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:

- (1) The mortgage holder's right under the mortgage will be transferred to us to the extent of the amount we pay; and
- (2) The mortgage holder's right to recover the full amount of the mortgage holder's claim will not be impaired.

At our option, we may pay to the mortgage holder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgage holder at least:

- (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or
- (2) 30 days before the effective date of cancellation if we cancel for any other reason.

- g. If we elect not to renew this policy, we will give written notice to the mortgage holder

at least 10 days before the expiration date of this policy.

4. No Benefit to Bailee.

No person or organization, other than you, having custody of Covered Property will benefit from this insurance.

5. Other Insurance.

If there is other insurance covering the same loss, we will pay only for the amount of covered loss in excess of the amount due from that other insurance, whether you can collect it or not. But we will not pay more than the applicable Limit of Insurance.

6. Policy Period, Coverage Territory.

Under this Coverage Part:

- a. We cover loss commencing:
 - (1) During the policy period shown in the Declarations; and
 - (2) Within the coverage territory or, with respect to property in transit, while it is between points in the coverage territory.

7. Transfer of Rights of Recovery Against Others to Us.

If any person or organization to or for whom we make payment under this Coverage Part has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

- a. Prior to a loss to your Covered Property.

- b. After a loss to your Covered Property only if, at time of loss, that party is one of the following:

8. Suspension

When any "covered equipment" is found to be in, or exposed to a dangerous condition, any of our representatives may immediately suspend the insurance against loss from an "accident" to that "covered equipment". We can do this by mailing or delivering a written notice of suspension to your address as shown in the Declarations, or at the address where the equipment is located. Once suspended in this way, your insurance can be reinstated only by written notice from us. If we suspend your insurance, you will get a pro rata refund of premium. But the suspension will be effective even if we have not yet made or offered a refund.
